

TOGETHER, WE CAN CREATE A BETTER US

Annual Campaign
**South Shore YMCA,
 Camp Burgess & Hayward**

TURNING DREAMS INTO REALITY

Three Massachusetts siblings facing homelessness were separated and sent to live with foster families this year, uncertain if they would ever see each other again. Because of the generosity of our donors, these children will be reuniting for the first time in many months, this summer at Camp Hayward & Burgess.

"When I heard about the Campership Fund, I thought that perhaps there was hope for these kids. Not only was I trying to figure out a way for them to be together, but I wanted to try to provide an experience where they could just be kids, let go of the weight of the world, and have some fun. Because of their financial situation, they would never have been able to attend camp without the support of your donors. Thank you so much for making this incredible opportunity possible!"
